Meet the Basket & net Family

- Basketball — Five players per side shoot a ball through a hoop 3.05 m high.
- Volleyball — Six a side, three touches to send the ball over the net, rallies to 25 points.
- Netball — Seven a side; pass without dribbling and shoot into a ring from within the shooting circle.
- Handball — Seven a side; pass and throw the ball to score in a goal guarded by a keeper.
- 3x3 Basketball — Half-court basketball with a 12-second shot clock.
- Freestyle Basketball — Ball-handling tricks set to rhythm and choreography.

How to Play

Twenty shots go up in 90 seconds. Position your rebounder under the rim and call the carom: a clean board is yours, a contested one is a timing duel with the defender beside you.

Scoring

- Clean rebound: +3.
- Contested rebound won: +5.
- Streak bonus: +1 per consecutive board.

Top Tips

- The contested boards are the game's gold — position for the duel rather than the clean miss, because most misses here are contested.
- Build the streak on the easy ones first; the +1 compounding makes a 10-board streak worth far more than 10 single boards.
- Late in the 90 seconds the shots come faster: pre-position centre-court of the rim and react, rather than chasing caroms.
