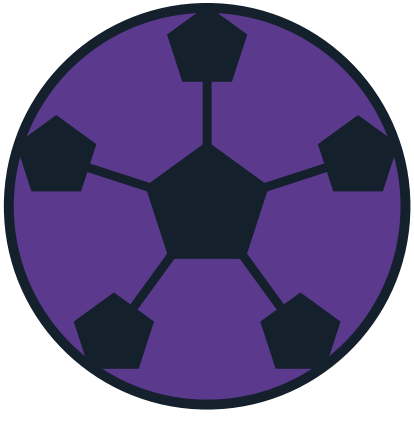
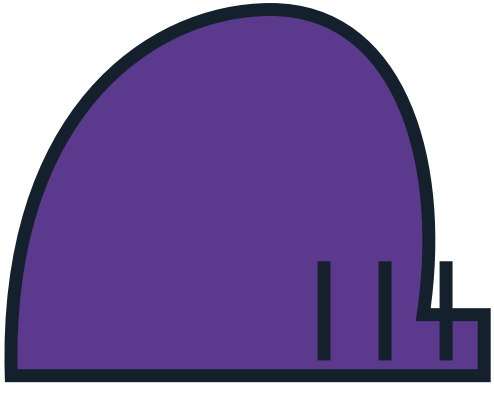
The Gear



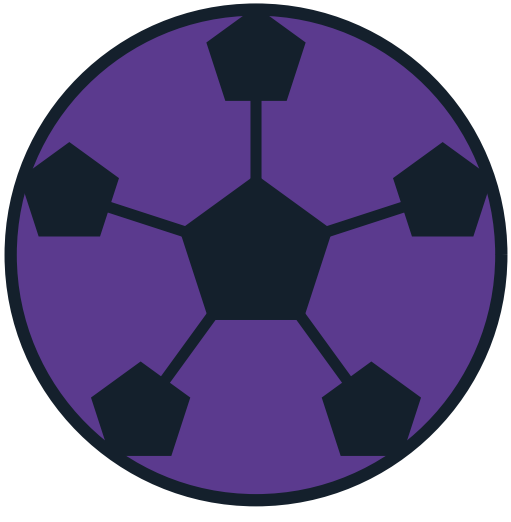


Meet the Extreme & urban Family

- Skateboarding — Street and park skating, an Olympic sport and X Games staple.
- BMX — Racing and freestyle on small bikes.
- Sport Climbing — Boulder, lead and speed climbing, an Olympic sport.
- Parkour and Freerunning — Move through obstacles with vaults and jumps.
- Chase Tag — Pro format of the playground game.
- Ultimate Frisbee — Seven-a-side disc game, pro in North America.

How to Play

A shelf of sixteen externally hosted games (the site embeds them through the hosts' own embed programs; three open in a new tab instead, and the shelf says which). The games are theirs; the shelf is Sport on Earth's.



Scoring

- Scoring belongs to each hosted game — the shelf carries no points of its own.

Top Tips

- Read each game's own help first: the shelf mixes genres, and the fastest way to a good score is two minutes in its instructions.
- The three new-tab games play better full-screen: launch them rather than fighting the embed frame.
