Meet the Target & precision Family

- Golf — Strike a ball into a series of holes in the fewest strokes. A round is typically 18 holes.
- Darts — Throw darts at a board; the PDC circuit is hugely popular in Europe.
- Snooker and Pool — Cue sports with a pro world tour for snooker.
- Ten-pin Bowling — Roll a ball to knock down pins.
- Disc Golf — Golf played with flying discs and baskets.
- Archery — Target shooting with bows, an Olympic sport.

How to Play

Flippers, bumpers, slingshots, targets and the S-O-E rollover lanes — a real table simulation. Light the rollovers (or hit three bumpers inside four seconds) to light Multiball, when every score doubles.

Scoring

- Bumpers: 100.
- Slingshots and targets: 50.
- Multiball: all scoring doubled while it lasts.

Top Tips

- Multiball is the whole economy: everything before it is setup. Complete S-O-E calmly rather than chasing bumper points.
- The three-bumpers-in-four-seconds route is the fast path when the ball is already in the bumper nest — take it.
- Dead-flip passes (letting the ball bounce across) are safer than nudge passes near the outlanes; save your nudges for true drains.
