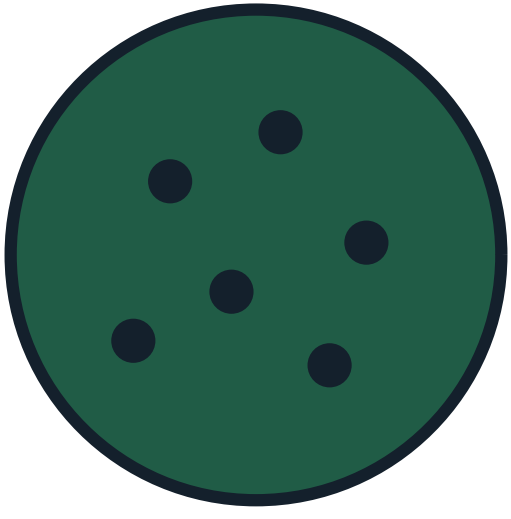
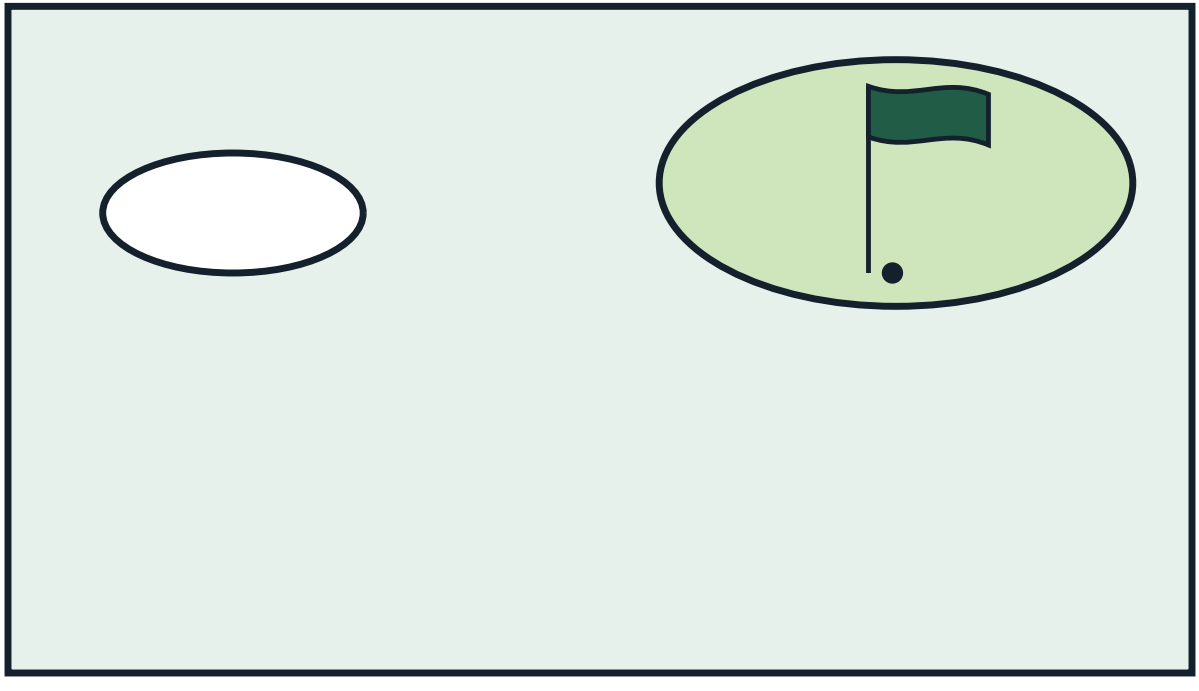
Meet FlingGolf!

Golf using a single stick to fling the ball.



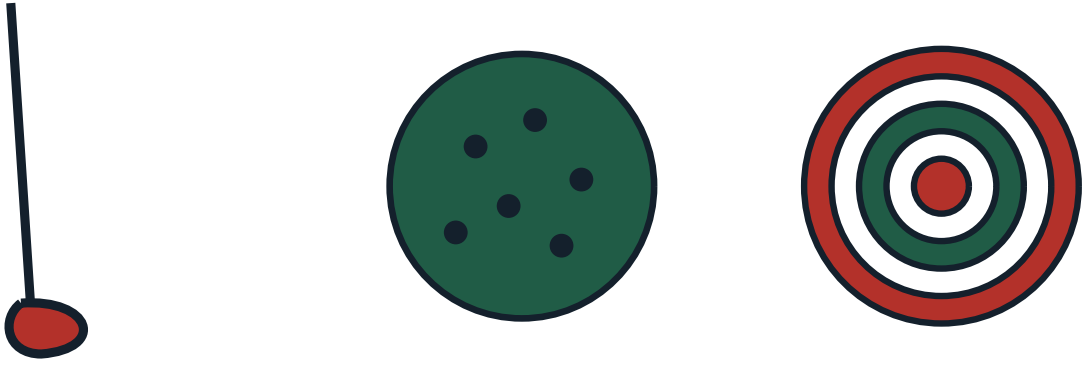
Where It Is Played

Any standard golf course, played from its tees to its greens and holes alongside or instead of regular golf.



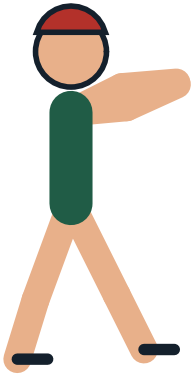
The Gear

One New Swarm FlingStick and a regular golf ball — no bag of clubs.



How It Starts

Load a golf ball in the FlingStick channel on the tee, take your run-up and launch before the tee marker, then reload and fling again from up to 5 paces behind each lie until you putt out.



How to Play

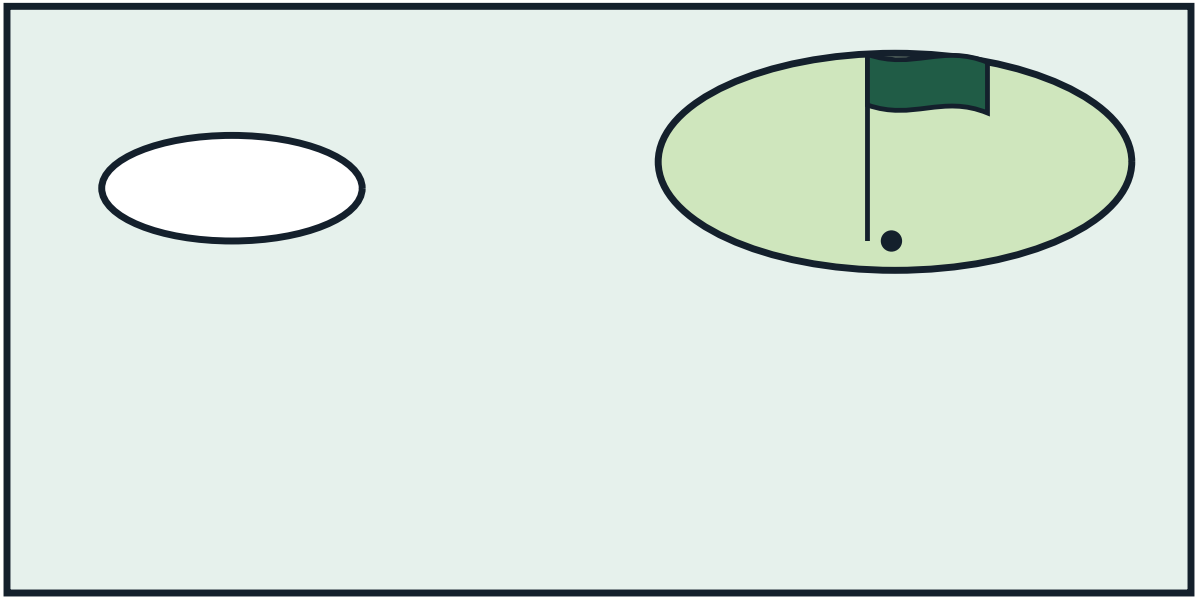
- Format: played on a golf course with a single FlingStick; every shot from tee to hole is made by hurling or putting the golf ball with that one stick.
- Scoring: count shots from tee to hole exactly like strokes in regular golf; in individual competition the lowest score on the course wins.
- On the tee: a player may take as many steps as they like while hurling the ball toward the hole, but must launch the ball before reaching the tee marker.
- In the fairway: note where the ball lies, reload it in the FlingStick channel, retreat up to 5 paces back and take the shot before reaching the previous lie.

More of the Game

- On the green: putt with the striker pads on the FlingStick head, or use a scoop shot released from a point no closer to the hole than the previous lie.
- Sand bunker: either take a 1-stroke penalty and play from within two FlingSticks of the point of entry, no closer to the hole, or play the ball as it lies with a scoop shot without picking it up and without penalty.
- Staked hazard: the same choice — 1-stroke penalty and play from within two FlingSticks of the entry point, no closer to the hole, or play it as it lies without penalty.
- Out of bounds or lost ball: take a 1-stroke penalty and play the next shot from within two FlingSticks back from where the ball went out or was last seen, no closer to the hole.

The Shape of a Match

Golf with one lacrosse-like FlingStick instead of clubs: fling the ball from tee and fairway, putt or scoop it on the green, and count every shot like a golf stroke over 18 holes (or 9).



More of the Target & precision Family

- Golf — Strike a ball into a series of holes in the fewest strokes. A round is typically 18 holes.
- Darts — Throw darts at a board; the PDC circuit is hugely popular in Europe.
- Snooker and Pool — Cue sports with a pro world tour for snooker.
- Ten-pin Bowling — Roll a ball to knock down pins.
- Disc Golf — Golf played with flying discs and baskets.
- Archery — Target shooting with bows, an Olympic sport.

A Note on the Rules

FlingGolf is an authored American code (launched 2014): golf played with a single FlingStick launching the ball, with putting by pushing — a rulebook written by its inventor's organisation for adoption by golf courses. Young and authored; no law-change history exists to carry.
